ACTION TAKEN REPORT

TEACHERS FEEDBACK AND ACTION TAKEN REPORT

The teachers response to various aspects with regard to relevance, content of the curriculum student placement and employability were analysed and based on their feedback, action were carried out which in presented in the following table.

SL. No	FEEDBACK	ACTION TAKEN
1	Organize training sessions on new teaching methods and upcoming subject areas	Organized faculty development programmes and national workshop on IPR. The need for patenting was stressed
2	To provide opportunity to update knowledge in publication ethics, preparation and uploading of manuscripts for publication in peer reviewed journals	Organized two days Workshops on Scopus & Web of Science for research scholars and faculty members to enhance quality of publications
3	The need for more practical sessions was stressed by the teachers to enhance the employ ability of students. Students can be industry ready only if they are exposed to real life situations in their class rooms and laboratories	More practical courses were included in the curriculum based on the feedback of the teachers. The quality of the existing practical courses were updated by introducing latest versions in the syllabus
4	More assignments and presentations to be encouraged to improve the cognitive and communication skills of the students.	Students were motivated to do more assignments and presentations, as part of their curriculum. Greater component of continuous assessment marks were allotted for assignments and presentations

5	To improve skill set of staff to optimise ICT enabled teaching	Effective use of ICT(video conferencing, smart class rooms etc) were enhanced through in-house training sessions
6	Inputs on updating and revision of syllabus was given by the teachers by keeping the industry trends as their nodal point.	The Board of Studies for each department conducted meeting annually wherein the feedback given by the subject teachers were put forward to the committee for consideration. Based on the expert comments of the BOS members, the committee took a final decision for the required revision of syllabus.

Conclusion

Thus the feedback given by the stakeholders were analysed and suitable action was taken so as to satisfy the expectations of students, parents and employers. This further helped us to improvise our curriculum as per the expectations of the stakeholders.
